

A prayer for our Grown-ups

Father God,

I thank you for my grown up.

I thank you for their love and their care,
and for the ways that they help me.

Lord, I pray that you will be with them
during this time, help them to know that
you are close.

Give them strength, energy and comfort.
Give them courage and peace.

God help me do all that I can to help
them as they teach me.

Amen.
